EXPERIENCE

FREELANCE DESIGNER

Summer 2006 - present

Worked with several different companies in the New England area. Clients have included 3six0 Architecture in Providence, 33 Management Group in Boston as well as a few other businesses. Have independently orchestrated several presentations, identities, and conference materials.

TANK DESIGN CAMBRIDGE, MA

Junior Designer, Spring 2006 - present

Have worked on a variety of print and interactive projects for large to mid-size clients. I have played both initiative and supportive roles. Recently, I have been focusing on next-gen web applications.

MOTH DESIGN BOSTON, MA

Freelance Designer, Fall - Winter 2006

In the small studio environment, I worked closely with clients. Developed a kidswear print catalogue from start to finish. Completed several print pieces for academic clients.

SEGURA INC. CHICAGO, IL

Intern, Summer 2005

Worked closely with the creative director and senior designers on Corbis catalogue materials. Was responsible for various print projects and learned invaluable production skills. Interacted directly with clients to finalize design decisions and apply corrections.
